

STATEMENT OF PURPOSE

RS29060C1 / S1232

The proposed legislation combines the Idaho Board of Architectural Examiners and the Idaho Board of Landscape Architects into a single board to regulate architects, architect interns, landscape architects, and landscape architects in training. This legislation will facilitate efficient licensing and oversight from the Division of Occupational and Professional Licenses.

FISCAL NOTE

This legislation will have no impact on the state's General fund or any federal fund. It is anticipated this legislation will reduce the Idaho Division of Occupational and Professional Licenses dedicated fund expenditures. Combining boards will result in fewer total board meetings, fewer board members, and therefore lower expenses.
